Indiana Department of Labor Honors Tell City Concrete Supply with Safety Award

Indianapolis, IN September 10, 2009 – The Indiana Department of Labor is pleased to announce the certification of Tell City Concrete Supply located in Tell City, Indiana in the Indiana Safety and Health Achievement Recognition Program (INSHARP).

Employing approximately 17 employees in southern Indiana, Tell City Concrete Supply is a ready-mix concrete distribution center. The company's product is used to complete many construction projects in the Tell City region. Tell City Concrete Supply is also a member of the Indiana Ready Mixed Concrete Association (IRMCA), which has an alliance with the Indiana Department of Labor.

To achieve INSHARP participation, the employer's Days Away Restriction and Transfer (DART) Rate and Total Recordable Case (TRC) Rate must be below the national average for their respective industry. Tell City Concrete Supply's DART and TRC Rates have been 100% below the national industry average since 2006, as the company has not experienced an OSHA recordable injury during the last three years.

The INSHARP award ceremony was held on Wednesday, September 9, 2009 at the company's facility in Tell City, Indiana. The ceremony provided an opportunity for the company's employees, staff and management to showcase their exemplary status to the media, state officials and local elected officials.
