MEETING NOTES

- 1. MINUTES OF JUNE 2, 199 BOARD MEETING MOTION FOR APPROVAL (LIELL/RICHMOND) VOTE: UNANIMOUS FOR APPROVAL
- 2. MINUTES OF OCTOBER 14, 1995 BOARD MEETING, DISCUSSION OF CHANGES, CHANGES NOTED AND MADE MOTION FOR APPROVAL OF CORRECTED MINUTES (RICHMOND/LIELL) VOTE: UNANIMOUS FOR APPROVAL 3. EXECUTIVE DIRECTOR REPORT:
- A. STATUS REPORT Counties eligible for State reimbursement in non- capital cases; 6 total Clark, Marion, Mlami, Montgomery, LaPorte and Orange. Counties in Process: 2 total (1) Monroe (adopted ordinance in 11/95, apptd. board and all judges behind program. (2) Fulton Ordinance introduced and tabled. SPECIAL NOTE AND UPDATE ON LAKE COUNTY: Vice-chrm Toomey reported...meeting with 4 of judges resulted from law suit by Ind Civil Lib Union. Rudolph, Lanskt/Page. Maroc and Letzsinger there at meeting, Maroc and Letzsinger in favor. Because of Lake counties uniqueness of appointed as well as elected judges, special legislation may have to be introduced to exempt Lake County from Public Defender statute. May need two boards. SPECIAL NOTE ON WAYNE COUNTY: chrm English reported county might consider hining investigator. SPECIAL NOTE FOR WABASH COUNTY: LIELL reported developments in her area.
- B. COMPUTER NETWORK: Have not hired network administrator yet...still looking at several candidates...Concluded agreement with Lexis/Nexus...\$20,000 per year...arry member who wants a password and ID... to call to obtain direct access w/o going through IPDC...there will be 4 ports for Indicases. Each additional port cost \$1500. May add port for US Supreme Court and 7th Circuit. Additional areas available for consideration LEX see/Lex statutes available. L/N also may make available option to members to obtain another ID to provided access to other data bases (States). There would be no subscription fee or charge, but would merely pay for time usage (at per minute rate). The problem with this is a user would have to get out of Indiana access and reenter into other data base. IPDC will continue program with MICHIE. LANDIS felt as usage of L/N increases MICHIE will decrease. The most positive thing of L/N is that its case updates occur within 2 weeks. MICHIE is normally 3 months behind on its updates. Lexis/Nexis will begin January 1, 1997. IPDC staff still has use and access to WESTLAW for \$100, plus pay as go. IPDC will publish this information in PUBLIC DEFENDER and by direct mail. Training sessions for all subscribers will also be advertised. If enough persons interested in an area, may hold training sessions in local areas. LIELL requested IPDC look into obtaining program on SHEPARD'S. LANDIS noted L/N can be used in a similar fashion, but will check on cost and availability of SHEPARD'S. HENNESSEY noted for the record the importance of SHEPARD'S in today's court room practice.
